Thank you Eron,

EPA is planning to conduct some oversight of the riverbank sampling and collect split samples. I'll coordinate with you further as the time approaches.

Have a good weekend,
Madi

Hi Madi,

The Arkema riverbank soil sampling is scheduled for July 20 through 23. We will let you know if there are any changes to the schedule.

Please let know if you have any questions or if you would like me to set up a meeting to touch base on the soil sampling.
Thanks!
